

IMPORTANT INFORMATION

If you are booking online, you will find it easier to do so on a desk /laptop PC rather than an iPhone or iPad

Please note the response required from you on the website www.hawksdinner.com is a **TWO STAGE PROCESS**. Input your details (**letting us know who you wish to sit with**) and **THEN PAY** by hitting the **PAY NOW** button!!

Payment can be made either by PayPal or by Credit/Debit card (the latter by using the Check Out as Guest option at the bottom).

Alternatively, payment can be made by cheque payable to 'Hawks' Club' and sent to Oliver Slack, 191 Wimbledon Park Road, Southfields, London, SW18 5RH. Tel: 07711 083 084. Please also return the section to be filled out from your invitation.

When responding to the invite (either online or by hard copy) **PLEASE MAKE IT CLEAR WHO YOU WOULD LIKE TO SIT WITH**. Where you don't do this, the Committee do everything they can to sit you with your peer group – be it Year, Sports club, College etc.

Where responses come in after the Committee meet to arrange the table plans (noon on Thursday 1st December) we do our best to juggle tables and seating so that you sit with who you have requested but this creates logistical difficulties for us and sometimes imperfect tables. The dinner is obviously more enjoyable if you are sitting with your friends. It helps if you can rev up support for the dinner amongst your peer group and you all request to sit together.

The Hawks' Club website (www.hawksclub.co.uk) now has a very good database which is easy to use to find contact details of fellow Hawks and is a good way to get back in touch with fellow Hawks that you may have lost touch with. However, the administrator in the Hawks' Clubhouse in Cambridge (administrator@hawksclub.co.uk / +44 (0) 1223 314 666) is very helpful and can assist where the website might fall short.

YOUR ADDRESS & CONTACT DETAILS

Was this mailing to you correctly addressed? Are you about to move house? Changed your mobile phone number? We may not have your email address and could keep in touch so much more efficiently (and less expensively) if we did.
