

Donating to The Hawks' Charitable Trust

Your donation will play a vital role in enabling The Trust to remain the largest source of sports bursaries and maintaining its leading influence on the role of sport in the university.

Giving from outside the UK

From Europe

If you are a European Resident, you may be able to maximise your giving through the private initiative, **Transnational Giving Europe (TGE)**.

This is a collaborative scheme offered by a partnership of European foundations. It enables donors (both companies and individuals) resident in one of the participating countries to offer financial support to non-profit organisations in other member countries. Beneficiaries benefit directly from the tax advantages provided for in the legislation of their country of residence.

Country-specific contact details for the scheme are available on the TGE website.
