

HAWKS' CLUB

OLYMPIANS AND INTERNATIONALS

Olympians and Internationals

These lists, presented in varying formats, offer a record of the achievement of some – but not all – Cambridge sportsmen and women since the 1870s when the Hawks’ Club was formed and, of course, not all are Members.

You can see the extraordinary depth and breadth of athlete success right up to the Rio 2016 Olympic Games and the England Cricket Tour of Bangladesh and India 2016-17.

The lists are not exhaustive: more achievements are being recalled and then commemorated. The Club will present these and other lists on the website and invites Members to update them by emailing administrator@hawksclub.co.uk

They are already a remarkable testimony to the commitment and skills of Cambridge men and women.

Second edition October 2017

A complete list of Olympians is available at www.hawksclub.co.uk/about/history/internationals-olympians
